THE DIGITALS

Our digital packages give you a great deal of flexibility to treasure and share your new photographs, whether that's sending them to loved ones or posting on instagram, the possibilities are endless.

The photographs will be delivered to you in a private online gallery with its own password and download PIN that's unique to you. The images will be stored online for 6 months so you have plenty of time to enjoy and share as you wish.

THE CANVAS

All of our canvases are handmade by a local supplier here in North Yorkshire.

Your image is printed onto 350gsm matt poly cotton archival canvas. This canvas has a tight weave which makes it ideal for printing a high level of detail while still retaining the original qualities of canvas.

The canvas is heat-sealed using a vacuum heat press. This applies a protective film overlay to the canvas which helps to preserve the image.
